

Qualatex®
Chrome
BALLOONS™

A New Kind of Shine

DOUBLE-STUFFED

Custom Colors

Combine the "Solid Shine" of Chrome with the Pastel Pearl and Jewel collections from the Qualatex® Rainbow of Colors to create custom colors that are **rich, radiant, and reflective**.

Stuff Chrome Silver inside any of the printed jewel assortments. See front page for inspiration.

Due to photography and color printing processes, exact colors may vary.
Colors shown are approximate. We recommend stuffing and inflating the actual balloons.
