burton + BURTON® Awarded Best Visual Display at AmericasMart® Atlanta

Bogart, GA (January 30, 2015)

burton + BURTON® was recently designated a Visual Display Award winner during the January 2015 Atlanta International Gift & Home Furnishings Market®. According to an AmericasMart® press release, an independent panel of judges sought standouts in visual design, showcasing product in an artistic and eye-catching display. A winner was selected for creative efforts, including use of space, product display, and placement of signage.

Maxine Burton, founder and president of burton + BURTON®, said, "To be recognized as the best, from among so many worthy showrooms in the largest gift mart in the country, is a great honor. This award is a testament to the dedication of everyone on our team—from the artists who create the products to the visual merchandisers who set the displays."

Founded in 1982, burton + BURTON® is a family-owned and operated business that has grown into one of the largest wholesale distributors of balloons and coordinating gifts in the world. In addition to the Atlanta showroom, the company also maintains permanent showrooms in Dallas, Las Vegas, and at the company's headquarters in Bogart, GA.
