

THE PROJECT: Candyland Christmas (page 1)

1

Step 1: Order materials + inflate balloons.

- | | |
|----------------------------------|--------------------------------|
| Q0523 5" Latex Balloons | B31601 Curling Ribbon |
| Q0519 5" Latex Balloons | 14777 Balloon Weights |
| 7350-36 38" Foil Balloons | 82735 Balloon Stik-ems™ |
| 7149-36 41" Foil Balloons | |

Inflate 5" latex balloons. You will need 12 for each cluster.

2

Step 2: Tie balloons.

Take two 5" latex balloons and tie their necks together. Repeat six times.

3

Step 3: Form balloon cluster.

Weave balloons together to form cluster. Make two red clusters and one white cluster for base.

4

Step 4: Add candy cane balloons.

Inflate candy canes. Tie weight to one of the candy canes, attach to balloon cluster and attach at base.

THE PROJECT: Candyland Christmas (page 2)

5

Step 5: Make collar.

Use Balloon Stik-ems™ to attach foils together. Twist latex balloons between foil balloons to make collar.

6

Step 6: Add snowman balloons.

Inflate snowman balloons and attach arms.

7

Step 7: Place white latex balloon cluster.

Place white balloon cluster over weights holding snowman balloons.

done!
