Cut ribbons into six pieces (6"-8" lengths) in each color. Take an elastic hair band, or a 260 balloon tied end-to-end for a larger mouth container/vase, + tie all pieces of one of the colors to it. Each piece should be tied in a regular knot. The knot around the band should be in the middle of the ribbon.

Step 3: Tie ribbon.

Tie the remaining ribbon pieces at equal distances around the band in the 2, 4, 6, 8, 10, + 12 o'clock positions.

Step 4: Complete ribbon tying.

Take the next ribbon color group + tie it onto the band, each one next to each of the previous knotted ribbons. Continue this cycle until all ribbon pieces are used.
