 Sand

Add Deco Dots™ to floral arrangements—

1. offer stability + extend life
2. eliminate debris in the water
3. layer to create patterns in floral vases, similar to sand art

Great for:

- floral + craft
- tabletop displays
- jewelry displays
- filler for pillows + dolls
- wedding + party throws

Deco Dots™ are manufactured from 100% recycled plastic and are reusable. These small disks are offered in a variety of colors that do not fade.

SHAPE AND BAKE

baking instructions:

Calling all DIYers!

Purchase metal cookie cutters in fun shapes from a craft store. Place the cutters on a non-stick cookie sheet. Fill them with Deco Dots™ in various thicknesses. Bake @275 degrees for 25 minutes. Cool completely and remove cutters.

Draw design.

Bake.

Hang.
