Georgia Governor Nathan Deal Proclaims September Balloon Month

Bogart, GA (September 6, 2011)

Georgia Governor Nathan Deal has just issued a proclamation declaring September as Balloon Month. Maxine Burton, president and founder of Georgia-based burton+BURTON™, spearheaded the initiative to coincide with this month's International Balloon Month. International Balloon Month seeks to raise awareness of the joy of balloons as well as to spotlight the economic impact the multi-billion dollar balloon industry has on the State of Georgia and the world.

This month, burton + BURTON™ invites everyone to visit a local florist, grocery store, or gift retailer to pick up balloons to brighten someone's day.

Happy International Balloon Month!
