directions:

Helium inflate the 28" foil balloon with the foil tip on your regulator. Tie the curling ribbon directly to the stem of the foil balloon. Attach the ribbon to the balloon holder for safe keeping. Helium inflate the two 18" foil balloons and attach the ribbon to the stems.

Take the 28" bear balloon out of the balloon holder and arrange so that it is on top. Rest the two 18" balloons directly underneath the bear foil. Tie directly to the plush bear using the easy tie ribbon loop.

Slip the box of candy into the bear's arms and secure with a piece of ribbon. Make two small bows and attach one to the hand of the bear and the other to the loop holding the balloons.
