**MB101**  
 1-ea Mini Bases

**972097**  
 Wired Sheer  
 Fabric Ribbon

**D31606**  
 Nile Green Holographic  
 Curling Ribbon

**equipment:**

**01569**  
 Glue Pan

**01560**  
 Glue Pillows

**831**  
 Mini Cool Aire®  
 Dual Pro™ Inflator

**directions:**

Air-fill the 9" Happy Easter balloon using your Mini Cool Aire® Dual Pro™ Inflator. Make sure all the air is completely out of the stem of the balloon and heat seal it. Insert the stem of the balloon into the slit of the cello cup and wrap it tightly. Tie a three loop bow using the sheer ribbon. Glue the bow directly to the cello cup. Insert the balloon straw, and secure the mini base to the inside of the mug with the attached adhesive. Insert the straw into the mini base. Add candy of your choice. Add another three loop bow on top of the candy if desired.
