### equipment:

**BR74HG**  
Dual Foil + Latex  
Inflator

### directions:

Pack the tote with shred. Add snacks appropriate for the recipient. Helium inflate the Bubbles® Balloon with the latex tip on your regulator. Fill the balloon until wrinkle free. Attach the #5 sheer ribbon to the stem of the Bubbles® Balloon. Helium inflate the 18" foil balloons using the foil tip on the regulator. Attach #5 sheer ribbon to the stem of the balloons. Arrange the balloons so the Bubbles® Balloon is floating directly above the 18" foil balloons. Tie directly to the tote. Make a 3-loop bow from the sheer ribbon and add to the handles of the tote.

**Peggy's tip:** This gift is extremely versatile and will sure to please. When the goodies are eaten you have a wonderful tool caddy. The Caddy can be used for scrap booking supplies, art supplies, kitchen utensils or anything that you want to have at an arms reach. Be creative and cash in on the sales!
