

# Zebra Striped Birthday

## ingredients needed:

**5797-36**  
 1-36" Sing-a Tune®  
 Foil Balloon

**111603**  
 1-ea Polka Dot  
 Latex Balloon

**Q0521**  
 8-Berry Latex  
 Balloons

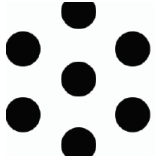

**Q26041**  
 1-Clear Link-O-Loon®  
 Balloon

**0515304**  
 1-Zebra  
 Container

**9712004**  
 Zebra Ribbon

**532400**  
 Polka Dot Cello

**HF118**  
 ULTRA HI-FLOAT®  
 Balloon Treatment

**94291**  
 2-ea Adhesive  
 Tabs

## equipment:

**831**  
 Mini Cool Aire®  
 Dual Pro™ Inflator

**BR74HG**  
 Dual Foil + Latex  
 Regulator

**01569**  
 Glue Pan

**01560**  
 Glue Pillows

## directions:

Turn the melamine container up side down and place the adhesive hang tabs on the surface facing each other. Stuff the polka dot latex balloon inside the clear Link-O-Loon®. Add Ultra Hi-Float® to the polka dot latex balloon and helium inflate fully. Tie a piece of zebra ribbon under the knot of the latex balloon. Tie the other end to the adhesive tab. Helium inflate the 36" Sing-A-Tune® balloon. Tie the stinger end of the Link-O-Loon® to the stem of the 36" foil balloon. Air-fill a balloon cluster using the 5" berry balloons. Make sure all the balloons are the same size. Wrap the balloon cluster around the stem of the Link-O-Loon® and foil balloon junction. Make a small two loop bow with some streamers out of the zebra ribbon and add to the neck of the Link-O-Loon®. Cut pieces of cello into 4 X 4 squares. Pinch in the middle and dip into the glue pan. Glue the pieces around the adhesive tab to hide the mechanics. Air-fill four more 5" berry balloons to approximately 3". Glue to the ribbon as shown.
