directions:

Helium inflate the 18" square foil balloon. Attach the orange sheer ribbon to the stem of the balloon. Attach the other end to the Heavy Weights™. Attach two adhesive tabs facing each other at the top center of the 18" square foil balloon.

Helium inflate the foil shape Make a Wish Balloon and the MagicArch™ balloon. Attach a small piece of ribbon to the stem of the foil shape balloon. Slip the stem of the foil shape through the hole in the MagicArch™ balloon. Tie the ribbon to the adhesive tab.

Make a small three loop bow with long ribbon tails and attach to the stem of the 18" foil. To add beautiful shine, add the holographic ribbon to the weight and the stem.
