**16005**  
Hershey's Kisses®  
Chocolate

**24183**  
Floral Wire—  
21 Gauge

**PS24W**  
Sticks

## instructions:

Cut 18–5" × 8" rectangles of tissue for each small pouf. Stack pieces, then fold accordion style (nine 1" folds). Trim the ends. Two have pointed edges, and the one on the left is rounded.

Wrap a piece of floral wire around the middle of the folded stack. Carefully pull half the stack, piece by piece, to form one half of a pouf. Flip it and pull in the other direction to form the second half.

When a sphere is formed, tie off the wire at the bottom and loop it so it will fit down inside a balloon stick.

Wrap the balloon sticks with ribbon and position in foam under shred inside the pot cover.
