**directions:**

Air-fill the CubeZ™ balloon with the Mini Cool Aire® Dual Pro™ inflator on the low pressure setting. Using strong packing tape, tape back the balloon stem. Wrap the CubeZ™ balloon with the black #9 sheer ribbon. Tie tightly. Make a small bow and tie directly into the black ribbon. Tape a Heavy Weights™ balloon weight directly to the bottom of the CubeZ™ balloon.

Helium inflate the 23" Intricates™ foil with the foil tip on the regulator. Tie curling ribbon to the balloon stem. Tie directly to the ribbon on top of the CubeZ™ balloon. Make a small bow with the curling ribbon and tie into the black ribbon for added color.
