directions:

Remove the cup from the pre-inflated 9" foil. Using strong packing tape, tape the balloon stem back onto itself. Tape a Heavy Weights™ balloon weight to the bottom of the 9" foil. Apply two Clik-Clik™ adhesive strips to the top of the 9" foil.

Helium inflate the 26" See-Thru™ balloon. Use the foil tip on the regulator. Tie zebra curling ribbon directly to the balloon stem. Helium inflate two 18" foils and attach zebra ribbon to the balloon stems.

Arrange the balloon bouquet with the 26" See-Thru™ balloon on top. Rest the 18" balloons directly underneath the See-Thru™ balloon. Tie directly to the adhesive strips. Curl the excess ribbon.
