Candleholders/Vases

A. 9721945 #100 Ribbon

B. 9721946 #9 Ribbon

00720 Corsage Pins

01532 Adhesive

instructions:

Cut floral foam (of your choice) to fit each vase. Place foam in vases and secure as needed. Cut #100 ribbon to fit the outside of each of the vases. Wrap ribbon around the vase. Adhere one side of the ribbon with adhesive. Align the seam of the loose end so that the acrylic gems match up horizontally. Attach the second end with adhesive and remove any excess glue.

Add water treated with flower food to each of the containers. Place small vase atop larger vase. Insert flowers of choice and arrange to fit the occasion. Insert corsage pins as desired.

If less "bling" is the goal, use the #9 ribbon on the smaller vase following the same instructions.
